

Thermal Products

Condensate Recovery Equipment

- Boiler Feed Systems
- Electric Pump Packages
- Flash Recovery Vessels
- Pump Trap Packages
- Steam Trap / Pump Combination (Double duty)

Energy Optimization Services

- Engineering expertise to see that the project is completed on time and on budget
 - Energy audits & studies
 - O&M (Operation & Maintenance)
 - Project management
 - Constructability & installation guidelines
 - Start-up commissioning & training
 - Oversight of subcontractors & vendors

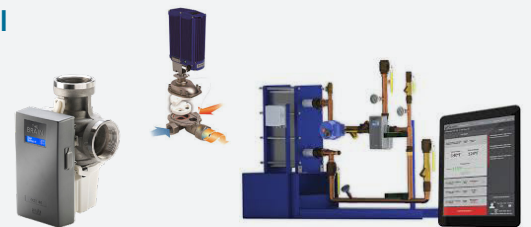

Heat Transfer Coils

- Steam/liquid and cooling coils in heavy-duty finned tube and lightweight plate fin configurations
- Expert design services and manufacturing capabilities for extended heat transfer equipment
- Custom manufacturing for all forms of air and gas treatment

Hot Water – Generation and Temperature Control

- Provides innovative hot water generation and control solutions for institutional hygiene and industrial process applications
 - Water Heaters
 - Water Temperature Controls
 - Hose Stations

Humidification

- Direct Steam Injection
- Electronic
 - Electrode
 - Resistance
- Gas
- Steam-to-Steam
- Fogging
 - High Pressure
 - Hydro-Pneumatic

Smart Utility Monitoring, Measuring and Reporting

- SAGE™ Software
 - Accurately calculates losses in steam, fuel, money and emissions based on methodology approved by the United Nations Technical Committee
 - Analyzes data to track behavior and performance

Steam Quality Monitoring

- Steam QM® provides automatic steam quality monitoring that helps improve steam system efficiency, increase safety, and ensure that steam quality meets global standard

Steam Traps

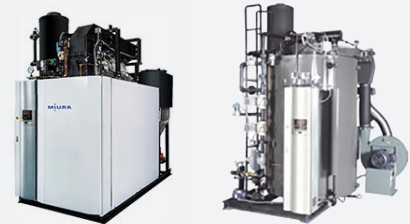

- Inverted bucket steam traps
- Float & Thermostatic Steam Traps
- Controlled Disc (Thermodynamic) Steam Traps
- Thermostatic Steam Traps
 - Bellows
 - Wafer
 - Bimetallic
- Syphon Drainage Flash Steam Applications

- Superheated Steam Applications
- Clean Steam Applications Bimetallic

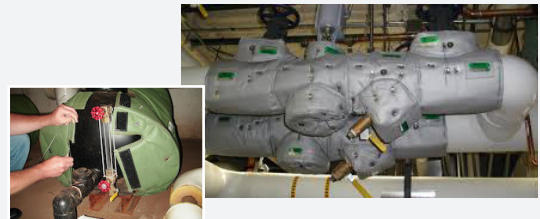

Steam Boilers and Accessories 50-300HP

- **LX Series:** Steam and hot water boilers meet and exceed current and proposed regulations for nitrogen oxide emissions levels as low as 9ppm NOx at 3%, corrected O2
- **EX Series:** Gas/Oil high pressure steam boiler designed to minimize carryover and produces dry 99+% saturated steam in less than 5 minutes from a cold start

Insulation Blankets

- Insulation blankets come in standard designs or can be custom fit. All are removable, reusable and are self-contained with integral fasteners
 - Acoustic Blanket Insulation
 - Safety Blankets and Shields
 - Thermal Blankets and Shields

Heat Exchangers

- Brazed Plate
- Gasketed Plate
- Pre-Engineered Shell & Tube
- Custom Shell & Tube

F.W. WEBB COMPANY
Process Controls Division

37 Heywood Road
Winslow, ME 04901
Tel: 207-873-7741
Fax: 207-873-2945
