

**Water, Sewerage, and Drainage Components & Supplies**

**WATER**

*Fittings*

- Brass
- Copper
- Mechanical Joint
- Flange Fittings
- AWWA Groove Fittings
- Schedule 40
- Joint Restraints

*Pipe*

- Ductile Iron
- C900 PVC
- Schedule 40
- Groove
- Flanged
- Copper
- Poly Tubing

*Valves*

- Flange
- OS & Y
- Check
- Gate
- Plug Type
- Flap Valves
- Mud Valves
- Knife Gates
- Pressure Relief
- Shear Gates
- ULFM
- Tapping Valves
- Post Indicator
- Ball Valves
- Air Release
- Air/Vacuum Valves
- Groove Plug Valves
- Butterfly Valves

*Hydrants*

- Fire and Parts
- Yard Hydrants

*Miscellaneous*

- Erie Boxes
- Valve Boxes
- Roadway Boxes
- Bell Joint Clamps
- Couplings
- Pipe Saddles
- Tapping Sleeves
- Expansion Joint

*Municipal Brass*

- Curb Stops
- Corporation Stops
- Service Saddles
- Flare and Compression Adaptors
- Couplings
- Meter Connections
- Meters

**SEWER**

*Fittings*

- SDR 35 & 21
- Flexible Sewer Connections
- Inserta Tees

*Pipe*

- SDR 35 (Gasketed and Non-Gasketed)
- SDR 21

*Accessories*

- Manhole Frames and Covers
- Hydraulic Cement
- Pumps
- Distribution Boxes
- Filter Fabric
- Septic Chambers

**DRAIN**

*Fittings*

- HDPE
- Schedule 40

*Pipe*

- HDPE Perf & Solid
- Culvert Pipe
- Schedule 40

*Accessories*

- Flared End Sections
- Silt Fence
- Catch Basins
- Manhole Frames and Covers
- Retention and Detention Chamber Systems
- Sump Pump and Pump Accessories

**TOOLS**

- Caution Tapes
- Cut-Off Saws and Blades
- Curb Stop & Gate Valve Wrenches
- Detectable Tap
- Drilling and Tapping Accessories
- Fire Hydrant Security Devices
- Hydrant Flags
- Hydrant Slings
- Marking Paints
- O.D. Tape Measures
- Pipe Locators
- Cements, Solvents and Cleaners
- PVC Pipe Saws
- Rain Suits
- Slush Boots
- Gloves
- Hard Hats
- Ratchet Wrenches
- Test Plugs
- Tubing Cutters
- Valve and Curb Box Cleaners
- Valve Lifters
- Valve Turners
- Pipe Wrenches

**CUSTOM FABRICATION (3" – 48" ) AT OUR MALDEN MACHINE SHOP**

- Cutting
- Flanging
- Grooving
- Welding
- Tapping
- Ductile iron pipe U.L. classified in accordance with ANSI/AWWA c115/a21.15 latest revisions
